RESTAURANT & LOUNGE

Our multi-level restaurant offers arched windows overlooking Nicollet Mall, a custom made floor to ceiling wine cabinet and a cherry wood beamed ceiling. Our culinary professionals have created an eclectic multi-course menu favoring regional comfort foods with a contemporary influence. And our international wine selection was developed to complement a 'busy' menu or simply entice you to sample grape varietals unfamiliar to your palate.

Unwind in the contemporary setting of Martini's Lobby Lounge while indulging in one of our signature Martini's, such as an Ocean Wave or Very Cherry. Or, try one of our innovative appetizers, sit back and watch the latest world news or sporting event on a pair of 42" plasma screens. A great place for meeting friends or go 'on-line' via our complimentary, high-speed Internet access conveniently located throughout the lounge.
